

Press Release

Celebration of ITEC Day 2024

The Embassy of India in Djibouti celebrated 60th Indian Technical & Economic Cooperation (ITEC) Day on 25th September 2024 with the participation of ITEC alumni; government officials and dignitaries from various sectors working in capacity building and development in Djibouti at the Conference Hall of the Embassy. Mrs. Madina Saleh Ali, Technical Advisor to the Minister of Culture graced the occasion as guest of honour.

2. The celebration commenced with a warm welcome by Charge d'Affaires Shri Mihir Kumar Thakur, who highlighted the significance of ITEC in fostering international cooperation and knowledge sharing and the contributions made by over 130 ITEC-trained professionals in the national development in Djibouti in various fields. He underscored despite challenges from within, India always shared her resources in the true spirit of the world as one family. He also appealed to ITEC alumni and the authorities to disseminate information about ITEC in order to broadening the base of beneficiaries.

3. The Chief Guest Mrs. Madina Saleh Ali lauded the efforts of the Govt. of India towards capacity & skill building. A documentary on the ITEC was also screened on the occasion.

4. The celebration featured positive feedback from ITEC alumni who shared their experiences and how the training programs have positively impacted their careers and communities. Participants

included professionals from diverse fields such as healthcare, education, and technology, showcasing the program's wide-ranging influence.

5. The event was concluded by vote of thanks by Cd'A Mihir Kumar Thakur followed by interaction with ITEC alumni over dinner with Indian cuisine.
